and Assistant Administrator, Accounting
and Director Finance Office, St. Louis, MO.

The Economic Emergency (EE) loan authority will expire on September 30, 1984.

In order to utilize all available EE loan funds, you are herewith authorized to approve both insured and guaranteed EE loans on a first come, first served basis, subject to telephone clearance with the National Office, Emergency Division. All loans requested to be approved must be submitted to the Finance Office for obligation not later than Sunday, September 30, 1984. Telephone requests to the EM Division will be directed to Mr. Morris Monesson at 8-382-1641 or Mr. John Gleason at 8-382-1652, and confirmed by comet message to the EM Division.

Your cooperation and indulgence in performing the extra work (surveys, reallocations, poolings and redistributions) that has been involved in accomplishing the most beneficial utilization of the EE loan authority is greatly appreciated.
